2007 Turkey Flat Vineyards Shiraz

A barrel sample of the 2007 Shiraz exhibits a glass-coating opaque purple color with an aromatic array of pain grille, pencil lead, smoke, espresso, and blueberry. Layered on the palate, it has outstanding grip, savory black fruit flavors, and a lengthy, fruit-filled finish, but with a bit more grip. The Schulz family has owned the Turkey Flat vineyard since 1865. Over the years the winery has proven to be a reliable portfolio from top to bottom.
