### Woolundry Rd Cabernet Sauvignon 2008

**Style** - Aromas of leaf and earth underlined by a rich fruit driven middle palate. Clean, crisp tannins round out the finish and provide the structure required for short to medium term cellaring.

**Food Suggestions** – especially suited to rich meat based dishes and roasted vegetables.

88

The purple-colored 2008 Cabernet Sauvignon offers up spice notes, black currant, and blackberry aromas leading to a savory, elegant wine with plenty of straight-ahead flavor, excellent balance, a bit of structure, and a medium-long finish. It is an excellent value.
