

**WOOLUNDRY  
RD  
CHARDONNAY  
2009**

Lightly fined and filtered before being bottled in mid August. A small percentage of oaked wine was back blended just prior to bottling to add additional texture to the mid palate. A light, vibrant and well textured white wine with aromatics of citrus zest and a dry crisp finish.

We picked the 09 Vintage a touch later than usual, looking to get some more tropical characters into the wine. Whilst still a lighter, mineral style the addition of a few barrels of our Single Vineyard Chardonnay has given the mid palate some extra weight and another dimension to the wine. Will drink well any time over the next 3 -5 years.
