Lateral

55% Merlot,  
20% Cabernet Franc  
20% Cabernet Sauvignon  
5% Petit Verdot

Lateral is inspired by the famous wines of the St. Emilion district of Bordeaux. The blending of Cabernet Franc and Merlot is the cornerstone of this model. The interplay of these two grapes gives Lateral a superb character unlike most California blends

2004 Lateral is ripe and forward and carries a level of polish rarely found in it's price range. It's ready to drink now, but has a weight worthy of comparison to blends costing much more.
