Cabernet Sauvignon Estate  
Santa Cruz Mountains 2007**

Bright ruby. Seductive aromas of red- and blackcurrant, singed plum, mocha and minerals, with a smoky overtone. Sappy and smooth in the mouth, with a compelling sweetness to its layered dark berry and cherry flavors. Deep but very energetic, with Pauillac-like iron and tobacco notes and building floral character. The finish is gently tannic, sweet and extremely long. There's 14% merlot and 1.5% each of cabernet franc and petit verdot in here.
