**2007 Forman Cabernet Sauvignon**

The 2007 Forman Cabernet Sauvignon Estate may be **one of Ric Forman's finest wines to date** (keep in mind he was producing some of the great Sterling Cabernet Sauvignons of the early 1970s). The color is a healthy dense purple, and the bouquet reveals plenty of creme de cassis, licorice, wood smoke, and forest floor notes, a soaring, multidimensional, velvety, full-bodied texture, and ripe tannins. The sweetness of the tannins and the wine's lush, heady texture are reminiscent of a ripe Pomerol. It will evolve over two decades.
