

Foxen Pinot Noir Vineyard  
Block 8 2008

The 2008 Pinot Noir Vineyard Bloack 9 has a dark ruby/purple-tingd color and more black cherry, smoke, and earth in the aromatics. It is slightly broader and more savory, in a fuller-bodied, richer style than the Block N, but only marginally so. This is another big, deep wine, and in the portfolio of Foxen Pinots, the second biggest and riches wine of the 2008s. Impressively endowed,it should age nicely for 5-7 years. Bravo!
