

**2008 Foxen Pinot Noir
Sea Smoke Vineyard**

94

The 2008 Pinot Noir Sea Smoke Vineyard has a dense ruby/purple color that is much more saturated than the Julia's Vineyard, with beautiful raspberry and boysenberry notes as well as some spring flowers in the background. A full-bodied, pedal-to-the-metal style of Pinot Noir, with beautiful fruit, texture, and length, this is a super, almost bigger-than-life Pinot to drink over the next 7-8 years.
