

Estampa Reserve Sauvignon Blanc 2009

This soft straw-yellow colored wine exhibits a full nose with aromas of white peaches and fresh figs, as well as a classic herbaceous tone and hints of green chillies from the Sauvignon Blanc. The Chardonnay contributes citric aromas with hints of green apple and pear. The aromas of the ripe apricot are contributed from the Viognier and are especially present in the mouth, resulting in a medium-bodied yet vibrant wine dominated by the Sauvignon Blanc. The aromas lead seamlessly into the mouthfeel creating a balance between the acidity from the Sauvignon Blanc and the marked minerality and volume from the Viognier and Chardonnay. The resulting wine reflects Viña Estampa's philosophy of working to perfect the art of "assemblage."
